Announcements

Peggy is asking if anyone wants to carve a piece of ivory soap for her display board to be used at the Pima Fair. Please bring to the April meeting when complete.

Saddlebrook 2023 show had their first commity meeting. Tables will be \$15. You can sign up for one now. This is a good place to demonstrate and to sell your carvings as there is no commission for sold items.

Gene Mchalla(sp) has passed away. He was a previous member. Over \$200 was raised selling his tools to be given to his wife.

We were contacted thru the website about some cypress knees for sale. If interested contact Jack or Brad.

Creede Woodcarvers Rendezvous is coming up July 9-15, 2022. Jack has flyers or you can go to creedewoodcarvers.com for more info.

A club vote was conducted to select Tom Hewitt as club treasurer and allow Jack Erickson and Tom Hewitt to have signature authority on the bank account. Audit of records is also complete.

Thank you Feliza for the class on 5 minute gnome. (how long did it really take?)
