Trish has canes to finish for VA hospital. These can be brought back in the fall when done.

Betty has El Corral reserved for Christmas party on Dec 8, 2022 5pm. We will still be limited to 40 seats at the moment. Ordering will be done off a modified menu and separate checks. This went well last year.

Trish and Joan are heading up Saddlebrook show for March 4th , 2023. Tables are available. Need items for the raffle table, its not to early to start thinking about something to donate.

We had 4 people visit Sierra Vista to carve with Thunder Mountain Woodcarvers. We did lunch then spent a couple hours carving with their group of 17 people. Very nice visit and great to meet them all.
