

# **Southwest Woodcarving Association**

## **November 12, 2022 Business Meeting minutes**

**Meeting called to order 1005**

**Previous month minutes approved as posted.**

### **Committee reports**

Christmas party-

We will have the harpist as entertainment. This will be done with just donations. We will also be collecting toys and food as we did last year. There will be no meeting in December.

Saddlebrooke People's choice show-

Bill is working on signup sheets for sale/demo. Tables are \$15 and a raffle donation. The word is getting out more this year so this event is expected to be larger. Entry for the people's choice voting will be on the website and emailed out.

Pima County Fair-

Brad will have sign up sheets in January. Brad is also looking for ideas to get 500 bars of soap. Donation request letters will be going out but could still use ideas.

Bill is looking for instructors for the meetings. January Dave Eereks will be holding a class on carving golf balls.

### **New business**

Jill will be joining the board of directors in January. Thank you Feliza for your support on the board the past year.

Membership dues are here again. \$25 individual and \$40 for family. Please be ready in January.
