Minutes

Thank you Rob for the carving a feather class.

Thank you Rich and wife for the snacks

Its early but our Christmas Party will be Dec 14th. Same place, same rules.
More to come as the year goes by.

We had 11 people help with the Saddlebrooke show. If you have any ideas
how to get more people involved please speak up.

We will be moving this show to Oct 28, 2023 and probably just do the Oct
show from here out.

Pima Fair

We will be set up at the Pima Fair on April 22-23 and April 29-30.

Brad can still use more carvers to greet the public on those days.

We will be doing a display case with some of the club members carvings.

Contact Brad if still interested.

As it starts to warm up and our snowbirds head home or to summer locations
we wish them safe travels and see in next winter.
