

SOUTHWEST WOODCARVERS ASSOCIATION

June 2024

UPCOMING EVENTS

CREEDE RENDEZVOUS

While not our event many of us do attend. July 13-19 , 2024

Summertime meetings

Summertime brings on heat and we watch our snowbirds and secretary head for cooler weather. Brad has missed two meetings now and feels disconnected. Promise he will be at the July meeting. Hope everyone is doing well wherever you have landed for the summer.

THANKS

Although Lynn Smith is no longer active with the club we would like to thank him for the donation of books. Each were for sale and payable to the club as donation.

PEOPLES CHOICE SHOW

We have had to cancel the annual People's Choice Show because of different financial and organizational arrangements at SaddleBrooke that preclude our continued participation. However, we might be able to continue this long tradition of a show if any member has a suggestion for a venue where we might schedule our monthly carving meeting, demonstrate our carving skills, and then, also, conduct a People's Choice Show at the same time and place as our monthly meeting. This might mean less logistics and effort combining a regular meeting with an event. We are looking at October or November 2024.

We need a venue that:

- Welcomes us as an added highlight to their normal operations and retail sales at no charge.
- Has an indoor or outdoor area open to the public large enough to provide a nice demonstration/show area for the club.
- Receives public shopping visitation that will also naturally attract people to our demonstration area and show area.
- A recognizable location that lends itself to a little pre-show publicity.

If there are suggestions, we recommend those who are suggesting to do a little advance work in getting information and details for further follow-up.

Rob Arnberger

SHOW AND TELL

Rob Park Service Ranger
Red Tailed Hawk Feather
Brown Pelican
Doctor

RAFFLE AND 50/50

50/50 Trica Donated
