

# SOUTHWEST WOODCARVERS ASSOCIATION

May 1 2026

## UPCOMING EVENTS

Summertime there are very few if any events.

## PIMA FAIR

The Pima Fair went pretty well. The peoples choice awards went to Richard Smith in 1<sup>st</sup>, Cara Slutter in 2<sup>nd</sup>, and Dave Eerkes in 3<sup>rd</sup>. Congratulations to you all.

## SNACKS AND COFFEE

We want to thank everyone that brings snacks and sets up coffee. We seem to have even a better selection without a sign up sheet. Keep up the good work. Would be great to see home baked goods, hint hint.

## SUMMERTIME MEETINGS

Our summertime meetings don't normally bring to many carvers in. The snowbirds have flown back to cooler weather and the rest of us may not brave the heat as much. We did have a good turnout this month though. With that in mind it would be great if anyone wants to share their talent by holding a class or two during the summer. Just let Gene or Brad know what/when and they will be sure to set it up.

## VISITORS

We had a few visitors this month. Welcomed Jesse, Gengro, Ruben and Joan. Hope to see new members from them soon.
