CLUB POSITIONS OPENING

As we near the end of the year we need to think about officer and board positions within the club. Brad has announced he will be moving to another state about January, while this has not been approved yet by the club he is rallying for support. This leaves the secretary position open as well as handling the Pima Fair available for you to help the club. Other positions are Coordinator/Chairperson, Vice Chair, Treasurer and board members. If your interested in helping the club with filling one of these positions please let Gene, Brad or Kent know.

SUMMERTIME MEETINGS

Our summertime meetings don't normally bring to many carvers in. The snowbirds have flown back to cooler weather and the rest of us may not brave the heat as much. With that in mind it would be great if anyone wants to share their talent by holding a class or two during the summer. Just let Gene or Brad know what/when and they will be sure to set it up.

EMAIL

There have been some issues with gmail addresses. Gmail has made some changes that now flag my account as unsolicited or spam and blocks it from being delivered. Sometimes it goes thru and sometimes it doesn't. So if you are using a gmail account you may or may not get this. Let me know if you do not receive this, hahaha.

ADVERTISEMENT

Gene brought up the idea of getting the newspaper and channel 9 involved to advertise our club. This will be brought up to the board at the next meeting. If anyone has an idea to bring in new members please let Gene, Kent or Brad know so we can discuss it at the board meeting.

BOARD MEETING

Speaking of board meetings, there will be a board meeting at the September carving meeting. If you have anything you would like to have presented to the board please get in touch with Gene, Kent or Brad. The board meeting will be held right at 9am, please be on time to the meeting.
